Organisers announce new date of 2022 EUROVENTSUMMIT

Next edition of Europe's HVACR flagship event to take place 25-28 October 2022

Istanbul, 01 October 2021. During the ongoing ISK-SODEX exhibition, Eurovent and ISKID (the Turkish Air Conditioning and Refrigeration Manufacturers' Association) have announced the confirmed date of the upcoming 2022 EUROVENTSUMMIT. The event is scheduled to take place from 25 to 28 October 2022 in Antalya, Turkey.

Raul Corredera Haener, President of Eurovent, remarked: "We are glad to be able to finally publicly announce the new date of the Summit. We believe that, with the subsiding COVID-19 outbreak and growing vaccination rates, our industry will be able to meet at the European HVACR flagship event under regular conditions."

Ayk Serdar Didonyan, Chairman of the Board of ISKID, added: "This event is important for the Turkish HVACR industry. On behalf of ISKID and all its members, I look forward to Building Bridges with Summit participants from Europe and all around the world in Antalya next year."

About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
